

Do you have someone on your Christmas list who really doesn't need (or even want) anything? Are there people on your list whom you may want to recognize or honor, but just don't know how—teachers, co-workers, church friends, or neighbors, for example. Would you like someone to give you a gift that has lasting value? Christmas is Jesus' birthday; would you consider adding the church, the body of Christ, to your Christmas list?

If so, please consider our Alternative Christmas Gift program! You can delight your honoree with a Christmas card and limited edition 2022 Minor Memorial UMC aluminum ornament, while your donation supports the Mission Shares of Minor Memorial UMC. For every \$25 donation, we will send a card and ornament to one recipient. You may also choose to graciously give a gift without need for acknowledgment.
